**Treasurer's Report**

Balance in the account as of June 29<sup>th</sup>, 2009, is \$8,080.31 Year-To-Date as of June 29<sup>th</sup>, 2009: Total income of \$4,456.56, total expenses of \$7,215.16, for a total income to expenses of **\$2,758.60**. The ATM card is be the responsibility of the Treasurer with the President and Vice President also knowing the pin code. Steve and Mike have been trying to get a hold of the Boys and Girls Club to schedule a check presentation to them for the funds from the Chili Challenge. Steve did make contact and the Board agreed Tuesday, July 7<sup>th</sup> would work for most Board Members to go. Steve will contact the Boys and Girls Club to set the date and time. Steve gave Keith the check for Boys and Girls Club. The check to the American Heart Association and American Cancer Society should just be mailed since they have not returned our calls and emails. The presentation to Camp Courageous was a big success; we will be submitting a picture of the check presentation to the Gazette Seen and Heard. Thank you Karen for getting this organized! All Treasurers Report were approved.

**Steve – Will contact the Boys & Girls Club on a date/time for presentation.**

### **Merchandise Report**

Deanna is in charge of setting up the mini mart and looking into getting new items for the club. Some suggestions for new apparel is new short sleeve t-shirts and Camp shirt with club logo. Light up Tambourines, light up limes for glasses and bottle cozies.

Deanna – Will get the inventory of merchandise to the board.

Deanna – Will look into new items for the mini mart.

### **Membership Report**

We have 117 members at this time. Karen wants to redo the tri-fold for the club. Making a CD/DVD for all members, especially new members would be a good idea. This will give new members a better idea of what the club is about and setting up mentors would also help new members feel comfortable. The board will get together after the check presentation for the Boys and Girls club to work on the membership CD/DVD. Bob suggested that everyone come up with chapters for the DVD to help us start to organize things for making the CD/DVD, “What every member of the Isle of Iowa should know.” The badge contest entries need to be turned in by Monday, July 13<sup>th</sup>, 2009 and will be voted on by the membership at the July Monthly Meeting. The designs will be anonymous so that everyone votes for the best design and not their friend’s designs. The winner will get \$100 donated in their name to their favorite legitimate charity, a free drink at the Aug Monthly Meeting and a single membership for a year.

Karen – Will send out an email explaining the contest and providing the deadline.

Karen – Will send the Board a copy of the membership roster.

The rest will be finalized by the Board at the July Meeting. We will be changing the format of our monthly meeting and no longer be including the business portion of the meeting. Anyone interested in the business portion should come to the Board Meetings.

Keith – Will confirm with Longbranch and DC Riverwalk.

### **Island Fever Phlocking 2010**

We are looking into April 24<sup>th</sup> and May 1<sup>st</sup> with a preference for May 1st. The charity we will be raising money for is Waypoint. If May 1<sup>st</sup> is available, we are looking at a May Basket theme. Keith is checking with the hotels, bands and venues.

### **Social Director**

We are all concerned for Laurie and our thoughts and prayers are with her as she recovers. While she is recovering there has been some interest in filling her position. The Board decided that the Social Directors position is not vacant at this time and the Board will fill in for Laurie as needed until her return or until she decides that she cannot fulfill her responsibilities.

Mike – Will write up a letter to send to the Listserv expressing the fact that the position is not vacant; the letter will be approved by the BOD before it is sent to the Listserv.

### **Bus Trip**

Karen has not received too many contacts with interest in the bus trip. Steve did reserve the bus and will hold on to it until the deadline at which time the Board will determine if there is enough interest to pay the deposit.

Karen – Will contact club member about chairing the event and put something out on the ListServ.

### **List Serv**

It was discussed that if people are putting things on the listserv about concert tickets, they need to make sure that they are selling them for face value otherwise they cannot advertise them on the listserv.

### **Regional Meeting**

The Board is waiting for the minutes to be distributed to the regional clubs.

### **Golf Outing**

The Board agreed that we would send \$1000 for the United Health Care Package, the John Deere Classic takes place in the beginning of July but most likely we will not receive money from them until October.

### **Mid-term Report**

Report is completed; it just needs to be sent.

Deanna – Will double check to make sure report is sent out and received by PHIP.

### **4<sup>th</sup> of July in Coralville**

Booth at the park needs to be manned Friday 4pm – 9pm and Sat. noon – 9pm. Steve and Deanna will be there both days. Deanna has placed an order with Oriental Trading and Mardi Gras Beads for the event, when the items arrive, Deanna will put together bags to hand out at the parade and at the tent. The parade route is 2 miles long and everyone walking needs to be in place by 9am.

### **Cardboard Boat Regatta**

Great turnout and lots of spirit....Isle of Iowa should have won the spirit award (Big SIGH). ☺  
Something to work on for next year!

**HyVee Gas Pumping**

This sounded like a great idea but with gas prices and the economy Hy-Vee was concerned that it would not be successful. We will keep this idea for when the economy picks back up!
