Isle of Iowa Selected for Governor's Volunteer Award

The *Isle of Iowa Parrot Head Club* was recently selected for a 2014 Governor's Volunteer Award by the Iowa Department of Transportation for outstanding commitment and service for our participation in the *Adopt-A-Highway* program.

The award will be given during a special recognition ceremony at the Prairie High School Performing Arts Center on Tuesday, June 17th at 10:00 am. All members of the *Isle of Iowa* are encouraged to attend.

Our club has cleaned our adopted 2 mile stretch of north and southbound ditches along I-380 for the past ten

Island Fever 2014... Silent Auction Update

Can you believe it is that time, again! We have less than five months to put together baskets for the **Island Fever Phlocking** silent auction. So, we need your help to create baskets that people will really want to bid on and win. **We raised almost \$5000.00** just on the silent auction last year, but we know we can do even better. We also have a charity that we feel strongly about.

Let's raise as much money as we can to send even more of our WWII and Korean War veterans on an **Honor Flight** to Washington DC!

Just some thoughts about what seems to be popular...

- We had several pieces of **hand-made tropical themed art work**, last year that went very high. So, if you are travelling to places that have shops that sell locally made items, consider a piece of artwork as a donation.
- **Autographed CD's** from TropRock artists are always a big hit.
- Baskets that include **the fixings for boat drinks**, of course.
- A **Hawkeye themed basket** would be great, too. We already have **Iowa State** covered. :)

For those of you who aren't comfortable asking businesses for donations, there are

many items that can be purchased that would make great silent auction baskets.

Gordman's always has an aisle of garden and home décor items that are on clearance. **Michael's** and **Bed Bath and Beyond** also have great merchandise.

Not all items need to be donations from other companies. They can be donations from you.

The more members involved in this, the more money we make for our charities.

We do have a form you can give to merchants that donate small items (gift cards, t-shirts, swag, etc.). It contains our tax ID number and gives some information about the Phlocking.

And...if you know of a business who may like to help our cause and receive some exposure, let us know if you'd rather not approach them yourself. **We will be glad to contact them.**

Again this year, we decided to offer a few options for your level of participation. In addition, we've created a list of potential auction items. You can choose to create a complete basket yourself, or simply donate money to help the committee purchase needed items....or you can land somewhere in-between.

Option 1

Create a complete basket...in container and clear basket bag with contents listed.

Option 2

Give us the items you have for a basket and we will create a basket.

Option 3

Give us a centerpiece of a basket and we will fill it out. Or, donate a large item that could stand alone.

In addition to these options or instead of, donate small items that can be added to other baskets. Or.....donate cash so the committee can purchase basket items

We always need containers.....Baskets, small tubs, large plastic sand pails, cloth covered bins... You get the idea. (Goodwill is a great place to look.)
